Any additional shipping costs will be charged to the customer. Purchases of reduced quantities of items may be subject to additional charges.

WARRANTY: OR warrants the products in accordance with the Swiss Code of Obligations, according to EEC regulations and the characteristics stated in the relevant documentation published in our online catalog, i.e. whether it matches the description, is free of defects and suitable for the intended use. Upon purchase, or upon receipt of the ordered goods, the customer must check the products immediately and report any non-conformities directly to the seller. OR will only consider reports from its authorized dealers and will not accept direct complaints. Any compensation will be limited to the price of the goods supplied. Any disputes or complaints do not release the customer from the obligation to pay according to the terms of sale and payment. For proper maintenance of products, it is recommended to follow the directions posted on our online site. If the above directions are not followed, the warranty on the products will be void and we disclaim any liability on them.

PRODUCTS-TECHNICAL SHEET: The technical information of the products featured and listed in the online catalog is approximate and due to space requirements, expressed in summary form. At the explicit request of the customer, OR reserves the right to provide or not provide additional information in digital format.

PACKAGING-SHIPPING-INSURANCE: The cost of packaging, shipping and any insurance explicitly requested by the customer are not included in the cost of the goods. In addition, these are not subject to reduction and are payable with the invoice.

CONDITIONS OF PAYMENT: For existing accounts, unless explicitly agreed otherwise between the parties, invoices are payable strictly 30 days net, from the date of invoice, by reference data indicated on the invoice. No deductions are allowed. Any bank charges/fees shall be borne by the customer. After the payment deadline has expired, both late payment interest and a recall fee will be automatically due upon reminder. OR does not accept credit offsets. Goods will not be shipped until outstanding accounts are settled. For new customers, payment is strictly in advance for the first three orders with pro-forma invoice. Once 3 deliveries with valid payments are obtained, standard 30-day net payment terms are granted in most cases. In case of non-payment within the agreed term, the account will revert to the pro-forma prepayment basis.
